

AMHERST TOOL
MOLD MAKING & MACHINING

Conflict Minerals Policy

It is the policy of Amherst Tool, LLC to comply with the Dodd-Frank Act regarding the prohibited use of Conflict Minerals. Amherst Tool is a privately held company and not subject to the Conflict Minerals rules and reporting requirements, but we do understand that our customers may be subject to these rules.

All raw materials used to manufacture customer product at Amherst Tool are free of Conflict Minerals due to the types of products we purchase. We do not use gold, tin or tungsten in our processes.
